

Donor Opportunity: Classroom Media Upgrade Initiative

Project Goal: Enhance learning through technology by upgrading our classroom with high-quality A/V equipment.

Project Summary

We are seeking support to install two large-format display screens, a classroom camera system, and protective equipment enclosures to enable hybrid learning, interactive lessons, and remote participation. This upgrade will directly benefit over 300 students annually and serve as a model for future tech-enabled classrooms.

Project Budget Breakdown

Item	Description	Qty	Unit Cost	Total
65" Display Monitors	Wall-mounted 4K UHD screens	3	\$500	\$1,500
Wall Mounts	Commercial-grade low-profile mounts	2	\$30	\$60
Smart Classroom Camera	Auto-tracking HD camera w/ mic	1	\$800	\$800
AV Cabinet (Protective Enclosures)	Tamper-resistant wall housing	1	\$290	\$290

Professional Installation	Licensed A/V technician install & setup	—	—	\$500
Cables & Miscellaneous Materials, wall port	HDMI, power, anchors, conduit, etc.	—	—	\$350
Apple TV	Wireless Connection	2	\$180	\$360
Audio Mixer	Upstairs specific mixer	1	\$300	\$300
Video Mixer	Upstairs specific	1	\$800	\$800
Wireless mic set	Headset and handheld	1	\$1100	\$1100
Wall Mount	For 65"+ TV	3	\$110	\$330

 Total Request: \$6,390

Why This Matters

-  Modern Learning Tools: Students engage better with dynamic, large-scale visuals

- 🌐 Remote Access: Enables remote learning for sick students or special needs
 - 🎥 Recordable Lessons: Materials can be archived for review or parent access
 - 🔒 Safe & Secure: All components housed in tamper-proof casings
-

How You Can Help

We are asking for your partnership in funding this critical upgrade. Your donation of any amount will have a direct and measurable impact on student success.

- Fund the full project: \$6,500
- Sponsor one screen: \$500
- Contribute toward installation or housing: \$600–\$1,200
